Information collected.

We collect personal information from visitors to these web sites through the use of enquiry forms, ticket booking forms and every time you e-mail us your details. Other than this, we do not store or capture personal information but simply log your IP address (this is the technical standard which ensures messages get from one host to another and that the messages are understood) which is automatically recognised by the web server.

Use of personal information

At specific times NPL may ask you to provide us with personal information, including but not limited to your name and email address, in order for you to register for a service (e.g. booking exhibition tickets) You may choose not to provide us with this information; however, this may limit our ability to provide you with a specific service or offer you personalised content.

Please note that all the information you provide to NPL will be stored and processed in the United Kingdom.

Occasionally we will send you email communications to provide information, which we think you will find useful, including information about new exhibitions. It is our policy only to send email to customers who give us permission to do so.

If you wish not to receive information from us then please contact us at user@nwe.co.uk.

Cookies

Cookies may be used by us to provide you with customised information from our web site. A cookie is an element of data that a web site can send to your browser, which may then store it on your system.

We use cookies so that we can give you a better experience when you return to our web site. Most web browsers automatically accept cookies. You do not have to accept cookies, and you should read the information that came with your browser software to see how you can set up your browser to notify you when you receive a cookie, this will give you the opportunity to decide whether to accept it. If you disable cookies from your browser you may not be able to access certain features of a particular web site.

Disclosures

We will only disclose personal information to companies and suppliers we engage to process data on our behalf.

Internet-based Transfers

Given that the Internet is a global environment, using the Internet to collect and process personal data necessarily involves the transmission of data on an international basis. Therefore, by browsing this web site and communicating electronically with us you acknowledge and agree to our processing of personal data in this way.
